

Volunteer Driver (Recycling Project)

Location: Recycle Your Bits, 3 Pinewood Place, Knottingley, WF11 0QH

Reports to: Kaylee Thompson, Community Development Worker

Hours: Flexible (e.g. a few hours per week or specific scheduled days)

No previous experience necessary

Role Overview

As a Volunteer Driver, you will support a recycling charity by collecting and delivering donated items or equipment. Your role helps reduce waste, promote sustainability, and support community initiatives.

Key Responsibilities

- Collect recyclable materials or donated goods from homes or businesses
- Transport items safely to our hub or to customers' homes
- Assist with loading and unloading items when needed
- Plan efficient routes to save time and fuel
- Maintain basic records of collections and deliveries
- Represent the charity in a friendly and professional manner

Skills & Qualities

- Valid driving licence & insurance
- Good knowledge of local roads and navigation
- Physically able to lift and move items (where required)
- Reliable, punctual, and responsible
- Good communication and interpersonal skills
- Commitment to environmental sustainability

What You'll Gain

- Gain valuable experience in logistics and community work
- Contribute to environmental conservation
- Meet new people and be part of a meaningful cause
- Potential references for future employment

Additional Information

- This is a voluntary (unpaid) position
- Reasonable expenses may be reimbursed (if applicable)
